## 20 Years Ago

IN GREENCASTLE

Letha Irwin, high school senior, was awarded a gold medal by the Underwood Typewriter Company for typing 62 words per minute.

Ora Day suffered an injured back when he fell from a ladder while papering at his home in Baltimore.

## AWARDED A 25 YEAR PIN

The above picture shows Mrs. Roy Newgent being presented with a twenty-five year membership pin of the American Legion Auxiliary by the local president Mrs. Henry Heavin.

Mrs. Newgent is a charter member of the local unit which was organized in early 1921. At that time the Auxiliary together with the American Legion Post No. 58 held their meetings above the old Sudranski store on the west side of the square. Mrs. Park Bryan was the first president and Mrs. Newgent was elected secretary. Since that time she has occupied the presidents chair two different times while living in Greencastle and helped organize and was president of the Spencer Auxiliary while living there. She has also held the office of treasurer, historian and many chairmanships and is the present treasurer.

Miss Tona Mason another charter member, living in Indianapolis is also entitled to wear the twenty-five year pin but was unable to attend the meeting.

## MARTIN URGES A WORLD-WIDE ARMAMENT CUT

WASHINGTON, Feb. 27 (UP)—House Republican leader Joseph W. Martin, Jr., Mass., urged the United States today to use its "great world-wide influence" to get all nations to reduce armaments and abolish peace-time conscription.

"Either the governments of the world want peace and do not need the regiments and hardware of war," he said, "or we must conclude that they want huge armaments because they expect to use them. In either event, now is the time to find out."

Martin expressed his views before the House Military Affairs committee. It is conducting hearings on his resolution to direct the President to seek a world agreement outlawing peacetime military training.

In an apparent reply to President Truman's recent statement that his plan would not work, Martin said:

"I say you will not know how practical it is until you try it and the least it can do is to test the good faith of the world powers."

## EDGAR BRADEN TO SEEK RE-NOMINATION

Announcement is made by Edgar Braden, popular trustee of Madison township that he will seek the Republican nomination in the coming primary election. Mr. Braden is serving his last year as trustee of the township, having been elected in 1942.

## Cloverdale Will Promote Community Building As World War Memorial

Are you interested in the betterment of Cloverdale community? Then be in the school gymnasium at 2:00 p. m. on Sunday afternoon, March 3, to help by your presence to promote a Community Center Building as a practical memorial to the men and women of Cloverdale township who served their country during World War II.

An interesting and inspiring program has been arranged by a special committee from the Lions Club. Speakers for the occasion are Larry Brandon, vice-president of the Farm Bureau state organization; Judge Mark Rhoades, judge of the Marion County Juvenile Court; and James P. Hughes, The Cloverdale School Band will play a short concert from 1:30 to 2:00 and the newly-organized Women's Chorus will present two musical numbers to open the program. No one will be asked for donations at this meeting.

However, this is a very important meeting for Cloverdale community. We urge that every man, woman and child in Cloverdale township be present. We should literally pack that gymnasium to its fullest capacity. The interest in this community project has been gratifying and is increasing day by day as the purpose and value of such a project is better understood. These speakers are capable men and are well qualified to discuss every phase of such a Community Center as is contemplated for this community. You will be benefited and inspired to hear them. Do your duty to the youth of this community and to yourselves by being among those present and thus show your interest and concern in this project.

## FARM BUREAU WILL MEET IN CITY MARCH 7

### FIFTEENTH ANNUAL SESSION TO BE HELD AT HIGH SCHOOL

The 15th annual meeting of the Putnam County Farm Bureau Cooperative Association will be held at the Greencastle High School Auditorium on Thursday, March 7, at 7:30 P. M.

A large membership attendance is expected to hear the reports of the officers and employees, and the address of John Grimes, along with the entertainment furnished by the Foster Hall Quartette of Indianapolis.

John Grimes, General Counsel for the Indiana Farm Bureau Cooperative Association, has a very worthwhile message for the members. His subject is "How Farmers Can Build A Better Cooperative."

The terms of five members of the Board of Directors expire, and the annual election will be held during the business meeting. Those whose terms expire are Raymond Crosby, Paul McGaughey, Paul McKeehan, Carl Arnold, and Roscoe Daggy.

Plan now to attend this meeting.

## Cloverdale Lions In Good Meeting

The Cloverdale Lions Club met Monday night at their regular meeting. A fine fish dinner was served by the ladies of the Methodist church. The guests of the club were Walter Gardner, Willard Sunkel, Harold Smythe, Russell Sendmeyer and Rev. Cecil Fellers.

Sam McCoy, a new member, was introduced to the club, formerly of Gosport, now a resident of Cloverdale.

L. E. Michael talked on the progress of the new Community Building Project.

Judge J. P. Hughes gave a short talk on the legal angle of the project. W. E. Morrison, Cloverdale township chairman of the Red Cross gave a short talk and introduced John Cartwright, Putnam county chairman of the Red Cross who gave an interesting talk on the urgent need of the Red Cross since the war is over. An interesting film was shown of some of the projects the American Red Cross is doing now.

The most interesting high light of the evening was the interesting talk given by Rev. Cecil Fellers. It was one of the most inspiring talks Cloverdale Lions Club has ever had the privilege of listening to.

## General Motors Only Holdout

DETROIT, Feb. 27—(UP)—General Motors Corp. remained the only major holdout today in the CIO United Automobile workers drive for wage increases from the big three in the auto industry.

The union signed a contract with the second of the big three, the Ford Motor Co., last night. The Ford contract with a company security clause, was held up as a model in "improved labor relations."

Federal Labor Mediator James F. Dewey reported "no progress" had been made yesterday at the conclusion of a four-hour conference with union and management representatives in the 99-day old GM strike. He scheduled another session today.

The new Ford contract provides an 18-cent hourly wage increase, compared to 13-1/2 cents in the contract signed with Chrysler Corp. a month ago.

The contract provides for punishment of production workers found guilty of participation in wildcat walkouts.

John S. Egan, Ford industrial relations director, described the provision as a "modified security clause." Ford had demanded that financial liabilities be imposed on workers responsible for wildcat strikes.

## GEN. GROVES TALKS

NEW YORK, Feb. 27.—(UP)—It would take Russia "another generation" to produce an atomic bomb, even with the aid of any data its agents may have received from Canada, according to Maj. Gen. Leslie R. Groves, who commanded the government's atomic bomb project.

"Even if we gave them unlimited help, the Russians, couldn't produce an atomic bomb before five or six years," Groves told a United Press reporter following a dinner in his honor last night.

Groves refused to comment on the Canadian espionage case, but he indicated that American atomic experts were not very worried about any information foreign agents may have obtained from that country.

## SPAIN CLOSES ITS FRONTIER WITH FRANCE

HENDAYE, France, Feb. 27.—(UP)—The frontier between France and Spain was closed on the Spanish side today, almost 48 hours before the hour set for a shutdown on the French side.

MADRID, Feb. 27.—(UP)—The Spanish government has strengthened its forces along the French frontier with Moorish troops deployed in the Pyrenees mountains, it was learned today.

Despite official denials, a force of Moorish troops estimated at 1500 arrived in the Pyrenees last weekend. The government closed the French frontier completely for 24 hours, apparently while the Moorish troops were moving into their camps.

(A United Press dispatch from Algiers, Spain, on Feb. 21 said detachments of Moorish troops, numbering about 2500, had landed from Morocco. A foreign legion contingent also has been transferred to Spain from Morocco, it said.)

The French government's decision to close the frontier at one minute past midnight on March 1 was expected to result in a tighter frontier patrol by Spanish police and military forces. Steps already taken by General Francisco Franco's government have been carried out with an eye to the French publicity campaign against the Spanish regime.

Precautions are being taken to prevent a movement of anti-Franco men from France into Spain to make contact with the underground inside Spain.

Well informed, quarters interpreted the French action as the first concrete, damaging measure adopted against the Franco regime.

## Krug Named As Ickes' Successor

WASHINGTON, Feb. 27.—(UP)—The nomination of Julius A. (Cap) Krug as Secretary of Interior appeared headed for Senate approval today despite a notable lack of enthusiasm among western senators.

Many prominent Republican and Democrats joined in praising the public record of the 38-year old Wisconsin New Dealer who headed the War Production Board during the final phase of World War II.

Even among westerners there was acknowledgement of his ability. But they made no effort to hide their disappointment that President Truman didn't pick a man from their own region.

They wanted a man with intimate knowledge of the grazing, mining, irrigation and reclamation problems peculiar to the West.

Krug will be questioned on those subjects by the Senate public lands committee. Chairman Carl A. Hatch, D., N. M., said the committee would give the cabinet nomination "early consideration."

Krug was sparing in his own endorsement. When Harold L. Ickes resigned Hatch set up two qualifications for the successor.

The first was that he be a man of outstanding integrity and ability. The second was that he be thoroughly familiar with western problems.

## BRITISH BRIDES OF LOCAL MEN

Mrs. George Long

Mrs. Howard Buis

The war was brought very close to her home as her father, Major Jack Sanders of the British Signal Corps is missing in action. In coming to America, she leaves her mother and sister back in Bletchley.

Fate was kind to George F. Long, Jr., and certainly played a hand in bringing George 1000 miles distance from his post on a blind date to Romford, England, where he met the former Miss Gwendoline Dorothy Blanks on January 19, 1944. Like Mrs. Howard Buis, Mrs. Long and her family were active in war work. Finishing her schooling in London and Sheffield, Mrs. Long answered the call of her country and was a cryptometer operator in an English war plant. The daughter of Mr. and Mrs. George J. Blanks, her father is a tool designer in the Briggs plant at Dagenham, England. Married on October 20, 1944, Mr. and Mrs. Long will not have had a home together until they settle down at 709 south Locust street, Greencastle when she arrives in a few days.

The two English brides are married to two of Greencastle's most well liked and promising young business men and will receive a warm welcome in this community.

## SNYDER ASKS EXTENSION OF PRICE CONTROL

WASHINGTON, Feb. 27.—(UP)—The joint committee to reorganize Congress will formally recommend within a few days that the number of Senate and House committees be reduced by more than 50 per cent.

The committee, it was learned, will also recommend a pension plan for congressmen and a 50 per cent increase in congressional salaries. But it will turn thumbs down for a proposal to broadcast daily proceedings in the Senate and House chambers over radio networks.

On the all-important committee question, it will propose that the 33 present senate committees be consolidated into 16 new groups and that the 48 House committees be merged into 18.

At the same time, he echoed the warning of Stabilization Administrator Chester Bowles that runaway inflation is a very real threat. This is particularly true, he said, because inflation feeds upon itself.

"The assumption that prices are going up gives business an irresistible motive to withhold finished goods from the market in expectation of higher prices and profits," he said.

As a result, he said, people rush to buy what goods are available in the belief that prices are going up, resulting in buying pressure which would "accentuate the already strong demand for goods and services."

Snyder said it had not been determined how many shortages were due to the withholding of goods from the market. But he said it was "a practice that adds an artificial scarcity to the very real shortage of goods that already exists."

He said the new wage-price policy, which was worked out following a dispute between him and Bowles over how far the price line safety could be stretched, would assure industry "of at least its minimum peacetime earnings" during the coming year.

"It means that labor in general will be able to soften the shock of reduced take-home pay that has followed the end of wartime pay rates," he said. "And it means that agriculture has a better income outlook for the very reason that labor is able to maintain wage levels and so continue to buy farm products."

## NEGROES WHO SHOT TROOPER UNDER ARREST

### FBI AGENTS AND DETROIT POLICE NAB PAIR IN HOTEL

DETROIT, Feb. 27 (UP)—The Federal Bureau of Investigation said today it had arrested two Negroes who admitted shooting Indiana State Policeman Robert A. Bennett near Columbus, Ind., Sunday.

Robert Guerin, agent in charge of the FBI office here, said his deputies and Detroit police picked up the pair in a small loop hotel early today culminating a two-day search.

The suspects were identified as Willie Lee Hopkins, 36, and William Steele, 26, both of Louisville, Ky.

Guerin said the two had five revolvers in their possession, including one taken from Bennett after the Indiana shooting.

Guerin said Bennett was shot when he stopped the two men in separate cars near Columbus Sunday. The patrolman was sprawled on the highway, clutching drivers' licenses issued to Hopkins and Steele.

The Indiana Patrolman was shot four times in the back, twice by each of the assailants, Guerin said.

Earlier, two Negroes identified as Claude English and Nathaniel King, also of Detroit, were arrested at Robertsdale, Ind., as suspects in Bennett's shooting.

They were picked up following a police radio warning that two heavily-armed gunmen were enroute to Chicago. However, a search of their car revealed no weapons, Chicago authorities said.

Guerin said Steele and Hopkins also had been sought in connection with the shooting of an East Chicago, Ind., liquor store proprietor during a holdup last December 19, and for several auto thefts between Louisville, Ky., and Gary, Ind.

He said they had a stolen car in their possession at the time they were arrested.

Guerin said one of the revolvers found in the pair's hotel room positively had been identified as Bennett's.

Indiana State Police swarmed over Putnam county Tuesday and Wednesday, hoping to catch up with the two Gary gunmen who shot and seriously wounded State Policeman Bennett at Columbus Sunday afternoon.

A score or more police congregated near the intersection of roads 43 and 35 Tuesday and farther north, another bunch were seen traveling north. Late Tuesday it was reported State Police informed all employees at the zinc mill not to leave the keys in parked cars there as two colored men were reported to have made an attempt to stop a truck near the mill with the idea of getting away in the vehicle.

So far as is known that was the only report made in which two colored men were seen in this community, although they were reported near Brazil Monday night driving a car with dealer license plates. No other trace of the hunted bandits was made in this community.

## WILLIAM ALLGOOD DIES

William Allgood, 81 years of age passed away about 12:15 Wednesday morning at the Putnam county hospital. His home was west of Fincastle on Roachdale route one. He entered the hospital late Tuesday afternoon.

The widow and one son survive.

### UNIQUE TABLE SET

F. H. Hurt of Bainbridge brought to The Daily Banner office Wednesday morning a table set that had been made by his sister, Miss Floy Hurt, of hybrid seed corn sacks. These sacks are waste products and Mr. Hurt bought 22 of them for \$1. The set was most attractive and would add charm to any table. If seen in a store anyone would think it most expensive. Miss Hurt is an art instructor in Indianapolis. She has taught in the schools for many years and has sponsored many projects. She is an artist in portrait and still life.

### IN MEMORY

In memory of our dear father and grandfather, John Wallace, who passed away March 7, 1941 and our dear mother and grandmother, Margaret Wallace, who passed away February 27, 1919. The moon and stars are shining On two lonely and silent graves. Beneath lies the ones we loved, But whom we could not save. But we who still will linger On the spot where they are laid, Who will come and scatter flowers On the graves that Christ has made.

Sadly missed by Mr. and Mrs. Clarence Sutherland, Mr. and Mrs. Maynard Sutherland, Mr. and Mrs. Kenneth Wallace and Irene, Ed.

### HOSPITAL NOTES

Zano Gentry, Greencastle, R. 3, was admitted to the hospital Wednesday morning. Mr. and Mrs. James R. Shoemaker are the parents of a daughter born Wednesday morning at the hospital. Mrs. Edith Smith and son of Roanoke were dismissed from the hospital Tuesday. Inogene Boswell, West Franklin street, was admitted and dismissed from the hospital Wednesday. Mrs. Mable Stoner, S. Madison was admitted to the hospital Tuesday.

### News Of Boys

Nelson-Lewis Nuptials At Brazil

A very pretty and impressive wedding was solemnized when Miss Blanche Lewis of Carbon and Omer Nelson of Brazil were united in marriage Friday evening at 504 N. Meridian St. Brazil. The ceremony was performed before the fire place which was beautifully decorated with palms, ferns, flowers and candles. Judge Robert B. Stewart read the vows using the single ring ceremony. Mrs. Lloyd Struck at the piano and daughter Nancy playing the violin furnished the bridal music. Fay E. Huff rendered several vocal selections among which was "I Love You Truly", after which Mrs. Struck began the wedding March. The bride party descending the long front stairway and proceeded to the altar where the groom and his attendants were waiting. The bridesmaids, Mrs. Hazel Rector and Miss Sara Hunter descended together, then the matron of honor, Mrs. Lillian Waskom, followed by the bride on the arm of her son, Gerald Eggers who gave her in marriage.

The bride was lovely in a light blue floor length dress of taffeta with matching tulle and shoulder length veil and her flowers were white roses worn at the waist line. The attendants wore floor length dresses and shoulder corsages. Mrs. Rector wore powdered blue with a pale pink carnation corsage. Miss Hunter's dress was dusty rose, and her corsage was of pale pink carnations deepening to a darker shade to match her gown. The matron of honor was attired in a pale pink gown and her flowers were blue iris. Mrs. Struck wore a black dinner dress and Nancy was lovely in a pale pink formal, their flowers were deep pink carnations. Nancy wore her flowers in her hair.

The groom's attendants were M. S. Waskom of Greencastle as best man and C. F. Moler and Phillip Tierce of Brazil were ushers.

Supper was served in the dining room for the bride party and a few close relatives and friends. The bride's table was very pretty having as the center piece a three tier wedding cake iced in white and pink with a miniature bride and groom and lighted with pink and blue candles.

Out of town guests were Mr. and Mrs. Gerald Eggers, Mr.

and Mrs. Paul Salitros, Miss Lucille Berger, Larry White, Earl Wells, Leroy Nelson and Jas. Snyder all of Indianapolis.

Mr. and Mrs. Claude Burke, Mrs. Gertrude Hutchison, Mrs. Fannie Torr and Mrs. Emma Bond of Greencastle, Mr. and Mrs. Roy Hill of Danville, Ind., Mrs. Hertha Hand of Bainbridge, Mrs. Ethel Lydick, son Wayne and daughter, Mrs. Mildred Cavins of Coatsville, Mrs. Hazel Wood and Mrs. Mildred Lydick of Fillmore and Miss Lila Lydick of Clayton.

Mr. Nelson was formerly from Greencastle.

Golden Wedding Observed Sunday

Two hundred relatives, neighbors and friends called at the ancestral home of Fletcher and Almada McCutchan Goff, Sunday afternoon, Feb. 24, to offer congratulations and best wishes on their 50th wedding anniversary.

The house was made more beautiful because of the lovely yellow roses, jonquils and other flowers showered upon them by the church, the Bethany Bible Class and relatives and friends.

Mr. and Mrs. Goff greeted their friends in the spacious sun porch and were assisted throughout the afternoon by their only daughter, Mrs. Dumont Ramestead, and Mr. Ramestead and their twin granddaughters, Mrs. Joanne Seller, and her husband and Betty Lou Ramestead and her fiancé, Don Burch. Mrs. Herman Morgan presided at the piano during the afternoon.

Assisting in the dining room were: Mrs. Ruth Gran and Mr. and Mrs. J. N. Miller of Crawfordsville, Mr. and Mrs. Seller, Miss Betty Lou Ramestead, Don Burch, Mrs. James Seller and Mrs. Jack Burch of Indianapolis. Funch, cake and cookies were served. # POSTWAR ENLISTEE USUALLY CITY-BRED

CHICAGO (UP)—The average GI enlistee in the postwar Army is 21 years old, a high school graduate and wants to be assigned to the European theater, according to an Army survey.

He's single, five feet eight and one-half inches tall, weighs 150 pounds and appears to be a good prospect for a happy marriage, the Army said.

But—he says, at least for the present, that he would rather travel, seek adventure and get more education. He's usually a city fellow, as only 33 per cent of the enlistees in the peacetime Army are from the rural areas, and he likes to get around.

The survey showed that 33 per cent of the postwar enlistees have had previous military service. Sixty-six per cent of those polled said they would like to make the Army their career.

## Dutchmen's Record Speaks

**NEWTON, Pa. (UP)**—The play "Papa Is All" and the novel "Apple in the Attic" do meager justice to Dutch family life in Pennsylvania, contended Presbyterian pastor John E. Mertz.

Mertz saw the need for the reminder that Lancaster county has led the East in agricultural wealth for a number of years and that many well-known figures are Dutchmen, including Chief of Staff Dwight D. Eisenhower, Gen. Carl A. Spaatz and ex-President Herbert Hoover.

## REAL MUSIC LOVER

**BOULDER, Col. (UP)**—Herbert T. Clark, caretaker of the music auditorium at Colorado

University here, couldn't sing or play, but he loved music. He took care of the instruments and greeted the student-musicians of the college every day for 25 years.

When he died, he willed a \$15,000 scholarship fund to help aspiring musicians through the college.

## AMBITIOUS PROGRAM

**COLUMBUS, Ind., Feb. 27 (UP)**—School board President J. E. Avery announced a five-point building program today. It includes a new school building, new gymnasium and new athletic field.

Avery said construction would begin as soon as materials were available. He said the new gym was first on the list. He said he was unable to estimate costs immediately.

## IN MEMORY

In loving memory of our dear daughter and granddaughter, June Ellen Priest, who was taken away from us six years ago Feb. 27, 1940.

Sadly missed by Father, Mother, Brother, Sister and Grandfather, Grandmother, Mrs. Harvey Shuay.

The depths of sorrow we cannot tell.

Of the loss of daughter we loved so well.

And while she sleeps in peaceful sleep.

Her memory we shall always keep.

# EAT UP THE MILES IN A FLASH!

More miles per gallon... more power—pep—pick-up, that's what Phillips 66 aims to give you!

And you'll say we've hit the bull's-eye the first time you fill up with the new Phillips 66 and give your car a workout.

The new Phillips is a high volatility gasoline that will make you open your eyes the first time you drive with it.

Talk about power—pick-up—pep—quick starts, why brother, the whole town's talking about Phillips 66!

## ON PEARL HARBOR WITNESS STAND

**COL. WALTER C. PHILIPS**, left, Hawaiian chief of staff under Gen. Walter C. Short in 1941, and **Col. Robert Schukraft**, right, are shown as they testified before the joint congressional Pearl Harbor investigation committee in Washington. Philips declared that he had assumed the war department would "not be so foolish as to withhold vital intelligence from us," while Schukraft, a signal officer, reported he had seen a Jap "winds" message several days before the Pearl Harbor attack, but immediately determined that it could not be authentic.

## GM, UAW IN CONFERENCE

FOR THE FIRST TIME since the General Motors-United Auto Workers strike conferences started in Detroit, cameramen were allowed for a brief period at the meeting, and the result is the above picture. Seated left to right are George Addes and Walter P. Reuther, UAW officials, and James Dewey, federal conciliator. With GM officials, the group has been criticized by Labor Secretary Schwelmbach, who said they could settle the three-month-old strike if longer sessions were held. Arguments are now deadlocked over union security.

## STATUE ASSISTS CUPID

**BUFFALO, N. Y. (UP)**—Favorite trysting places for lovers are the City Hall rotundas, where stand massive statues of Presidents Grover Cleveland and Millard Fillmore, but city officials are convinced that Cleveland has it all over Fillmore as a helpmate to Cupid. The Fillmore statue is bare of any inscriptions by love-sick couples, while the Cleveland statue is covered with amorous scribbles.

## BUBBLE GUM GOES UP

**BUFFALO, N. Y. (UP)**—Black marketers are even invading the bubble-gum market. A city official revealed recently that his seven-year-old daughter told him "such a severe shortage of bubble-gum that storekeepers and even children lucky enough to buy some, are charging 3, 5 and in some instances 10 cents for one stick of the gum."

## RE-ENLISTS 10 TIMES

**DENVER, (UP)**—Few soldiers are as completely sold on Army life as M-Sgt. Albert W. Jennings, veteran of 27 years in khaki. He joined the army when he was 17 and has been re-enlisting every three years since then—10 times in all.

## ONE-SHOT HUNTER

**NASHUA, N. H. (UP)**—For the second straight year, Mrs. Henrietta Mann of Nashua, N. H., came home from a Maine hunting trip with a 150-pound buck. Both times she bagged the animal on her first shot.

# Have you ever seen a Brave Man Cry?

IT HAPPENED somewhere in the Pacific. The boys of the 5th Air Force were "occupying" a God-forsaken jungle island which had been taken from the Japs.

The heat, and the bugs, and the dirt were unbearable. The loneliness was almost beyond belief.

Then—on a sweltering airstrip one morning a plane came down out of the sky. And out of it stepped two Red Cross girls, American girls.

"Hi there, Soldiers!" Their voices were like magic. American girls, like the sisters and sweethearts they hadn't seen for so many long months—greeting them as they'd been greeted so often in the old, happy days at home. Yes, tears filled the eyes of more than one of those fighting men. Brave men they were, crying unashamed!

Many thousands of our men are still overseas. They're lonely. They're homesick. They need your Red Cross note. And Red Cross men and women are at their side. But only you can keep them there. Through your contributions you make it possible for the Red Cross to see them through. Give today!

YOUR Red Cross MUST CARRY ON ...

## \$927 IN PILLOWCASE

ROCK SPRINGS, Wyo. (UP)—Sheriff's officers recently received a report from a traveler that he had left \$927 in his pillowcase at a Rock Springs cabin where he stopped the night before. He did not discover his loss until he reached Salt Lake City on his way to the West Coast. Shortly after the officers received the report, they got a call from Mrs. Rudolph Marchetti, operator of the cabin camp where the man had stayed. She had found the money.

## STATE RECORDS FILMED

DENVER, (UP)—Official documents and records of the State of Colorado now are being photographed on microfilm, requiring about four per cent of the space consumed by the originals. The division of state archives recently completed microfilming of 10 years of records for the state Public Utili-

ties Commission on 360 100-foot rolls of film.

BLOOMINGTON, Ind.— (UP)—Colleges and universities are in the market for high chairs as married veterans with children return to their campuses. Indiana University has added 10 high chairs to its student dining room to accommodate the seven per cent of its veterans who have children. University officials expect an increasing demand for the chairs. They say that the veterans are marrying rapidly. Only 20 per cent of Indiana's student veterans were married last summer, but the present percentage has risen to 30.
